ASAS LED LIGHTS WHOLESALE & RETAIL

ABOUT US

LEADING LIGHTING SOLUTIONS PROVIDER IN BAHRAIN

ASAS LED LIGHTS has been leading the way in lighting since 2020 and firmly established reputation as a leading supplier of complete lighting solutions in LED lighting development and manufacturing in Bahrain.

A key factor in our success as an LED Lighting Leader is our focus on relentless innovation and the exploitation of new ideas to improve our products.

The company is able to produce better, more market relevant products and services, while also increasing operational efficiency

By enhancing efficiency, saving energy, and enabling users to work, innovate, and function better, we deliver sustainable lighting solutions.

OUR SERVICES

Our services range from manufacturing to lighting arrangements to custom LED designing to cater to your personal spaces and needs. Flexible LED strips and matching profiles are included in the product range, along with interior and exterior lightings. With a wide range of products, the ability to manufacture and package products according to your specifications, prompt delivery, and an outstanding price-performance ratio, we are your ideal partner, across the globe.

LIGHTING INSTALLATION

A building's or space's lighting is crucial. You can customize a lighting layout with the help of our electrical experts and we can install it for you as well. Additionally, we can provide you with installation services if you require a simple electrical light repair or replacement.

MANUFACTURING OF LED LIGHTS

With professionals and experience, we are committed to practical and marketing oriented design. We can manufacture products tailored to your specific needs (size, power, CRI, spectrum, etc.). We can handle large orders quickly and deliver satisfying results on time.
