

# LED Highbay Hunger Light (SMD)

## PRODUCT DESCRIPTION

Illuminate your space with brilliance and efficiency using our state-of-the-art LED High Bay. Designed for superior performance in high-ceiling environments, this lighting solution seamlessly combines innovation, energy efficiency, and durability.

### Key Features:

Step into the future of industrial lighting with our LED High Bay. Featuring cutting-edge LED technology, this luminaire delivers exceptional brightness while keeping energy consumption to a minimum. The high bay's robust construction ensures reliability in demanding environments, making it the ideal choice for warehouses, factories, gyms, and other large spaces.

### Usage and Applications:

Versatile and powerful, our LED High Bay is tailored for a variety of high-ceiling applications. Illuminate industrial workspaces, commercial facilities, or recreational areas with precision and uniformity. Its adaptable design makes it suitable for environments where efficient and high-quality lighting is paramount.

### Compatibility and Replacement:

Upgrade your lighting infrastructure effortlessly with our LED High Bay. Engineered for seamless compatibility, it serves as a superior replacement for traditional high bay lighting systems. Make the switch and enjoy the benefits of increased energy efficiency, reduced maintenance costs, and a longer lifespan.

### Warranty and Support:

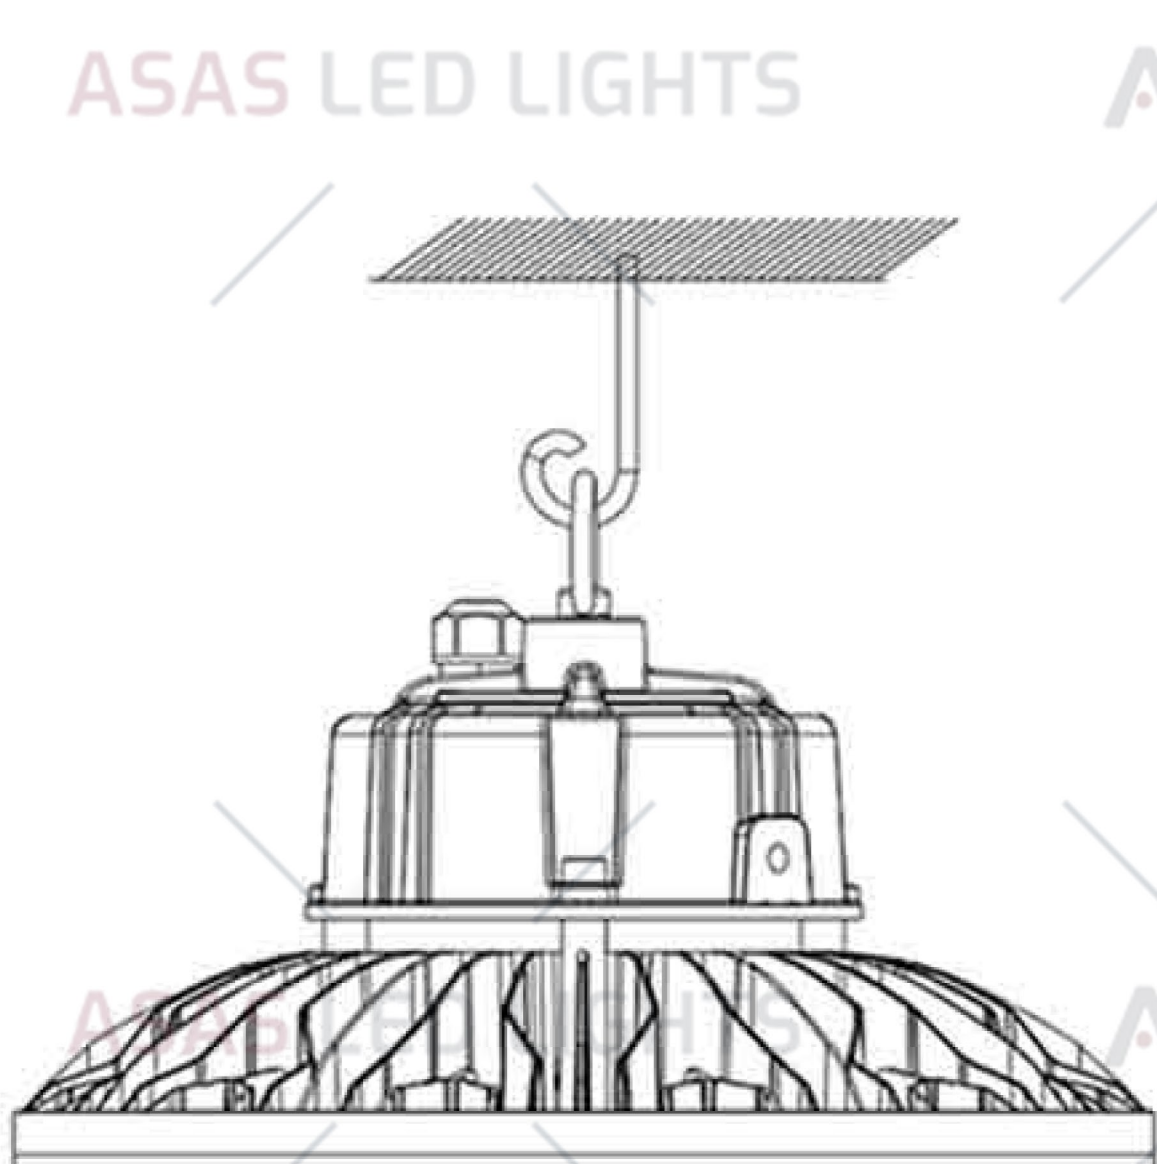

Your satisfaction is our top priority. The LED High Bay comes with a reliable two-year warranty, a testament to its quality and performance. Our dedicated customer support team is ready to assist you with any questions or concerns, ensuring you have peace of mind with your investment.

Elevate your industrial and commercial lighting experience with our LED High Bay. Illuminate large spaces with confidence, knowing you've chosen a lighting solution that combines cutting-edge technology with durability and energy efficiency.

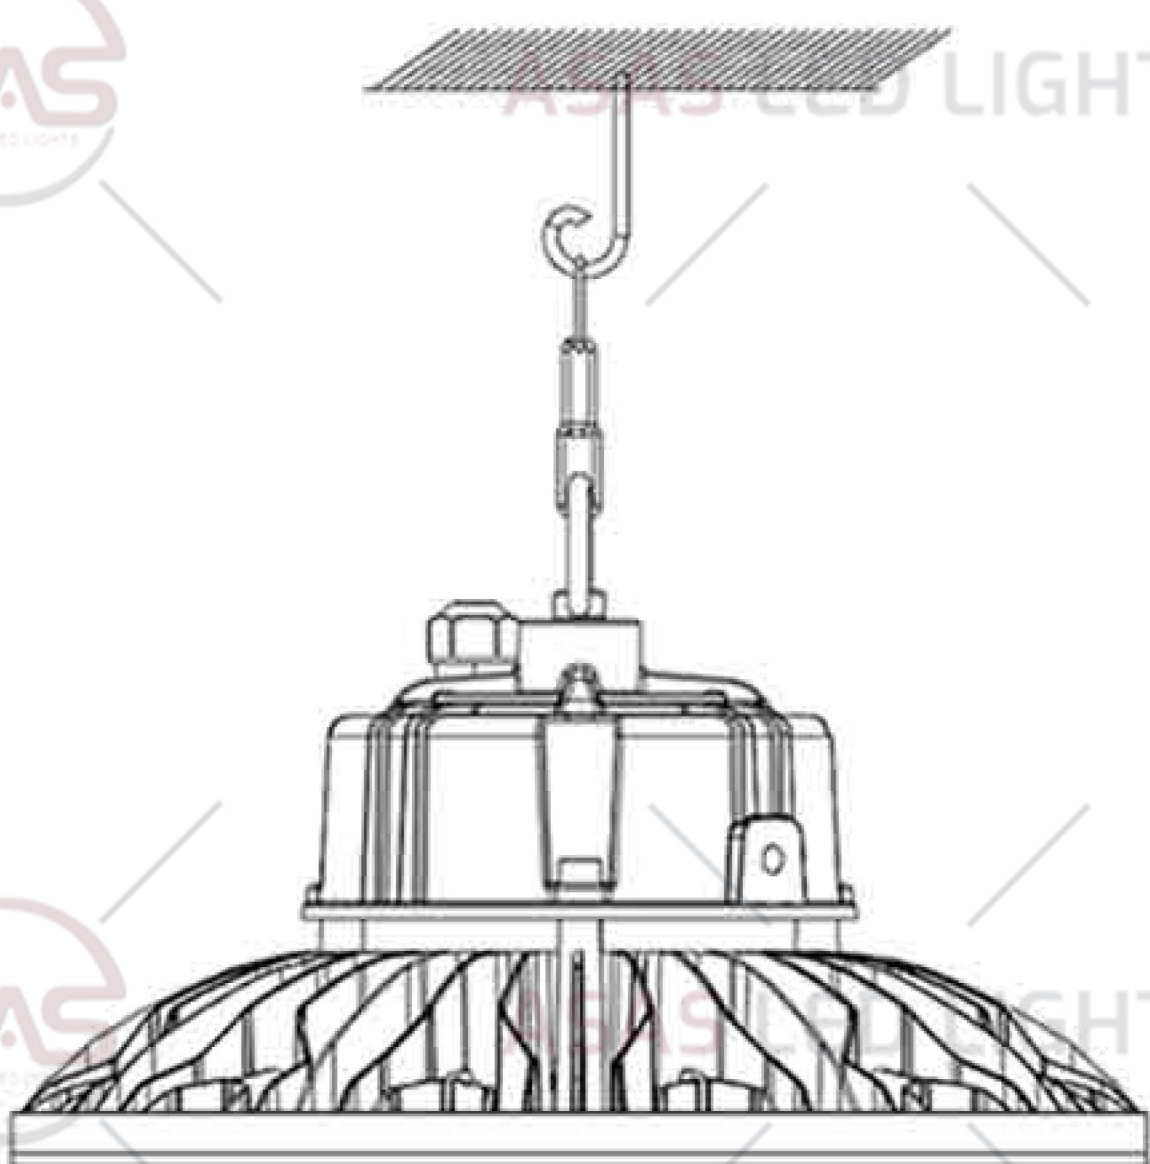

## APPLICATION AREAS

- » Warehouses
- » Factories
- » Industrial Facilities
- » Indoor Sports Facilities
- » Retail Spaces
- » Convention Centers
- » Manufacturing Plants
- » Workshops
- » Loading Docks
- » Distribution Centers
- » High-Ceilinged Retail Stores
- » Auditoriums
- » Cold Storage Facilities
- » Car Dealerships
- » Utility and Power Plants

Wall Mounted

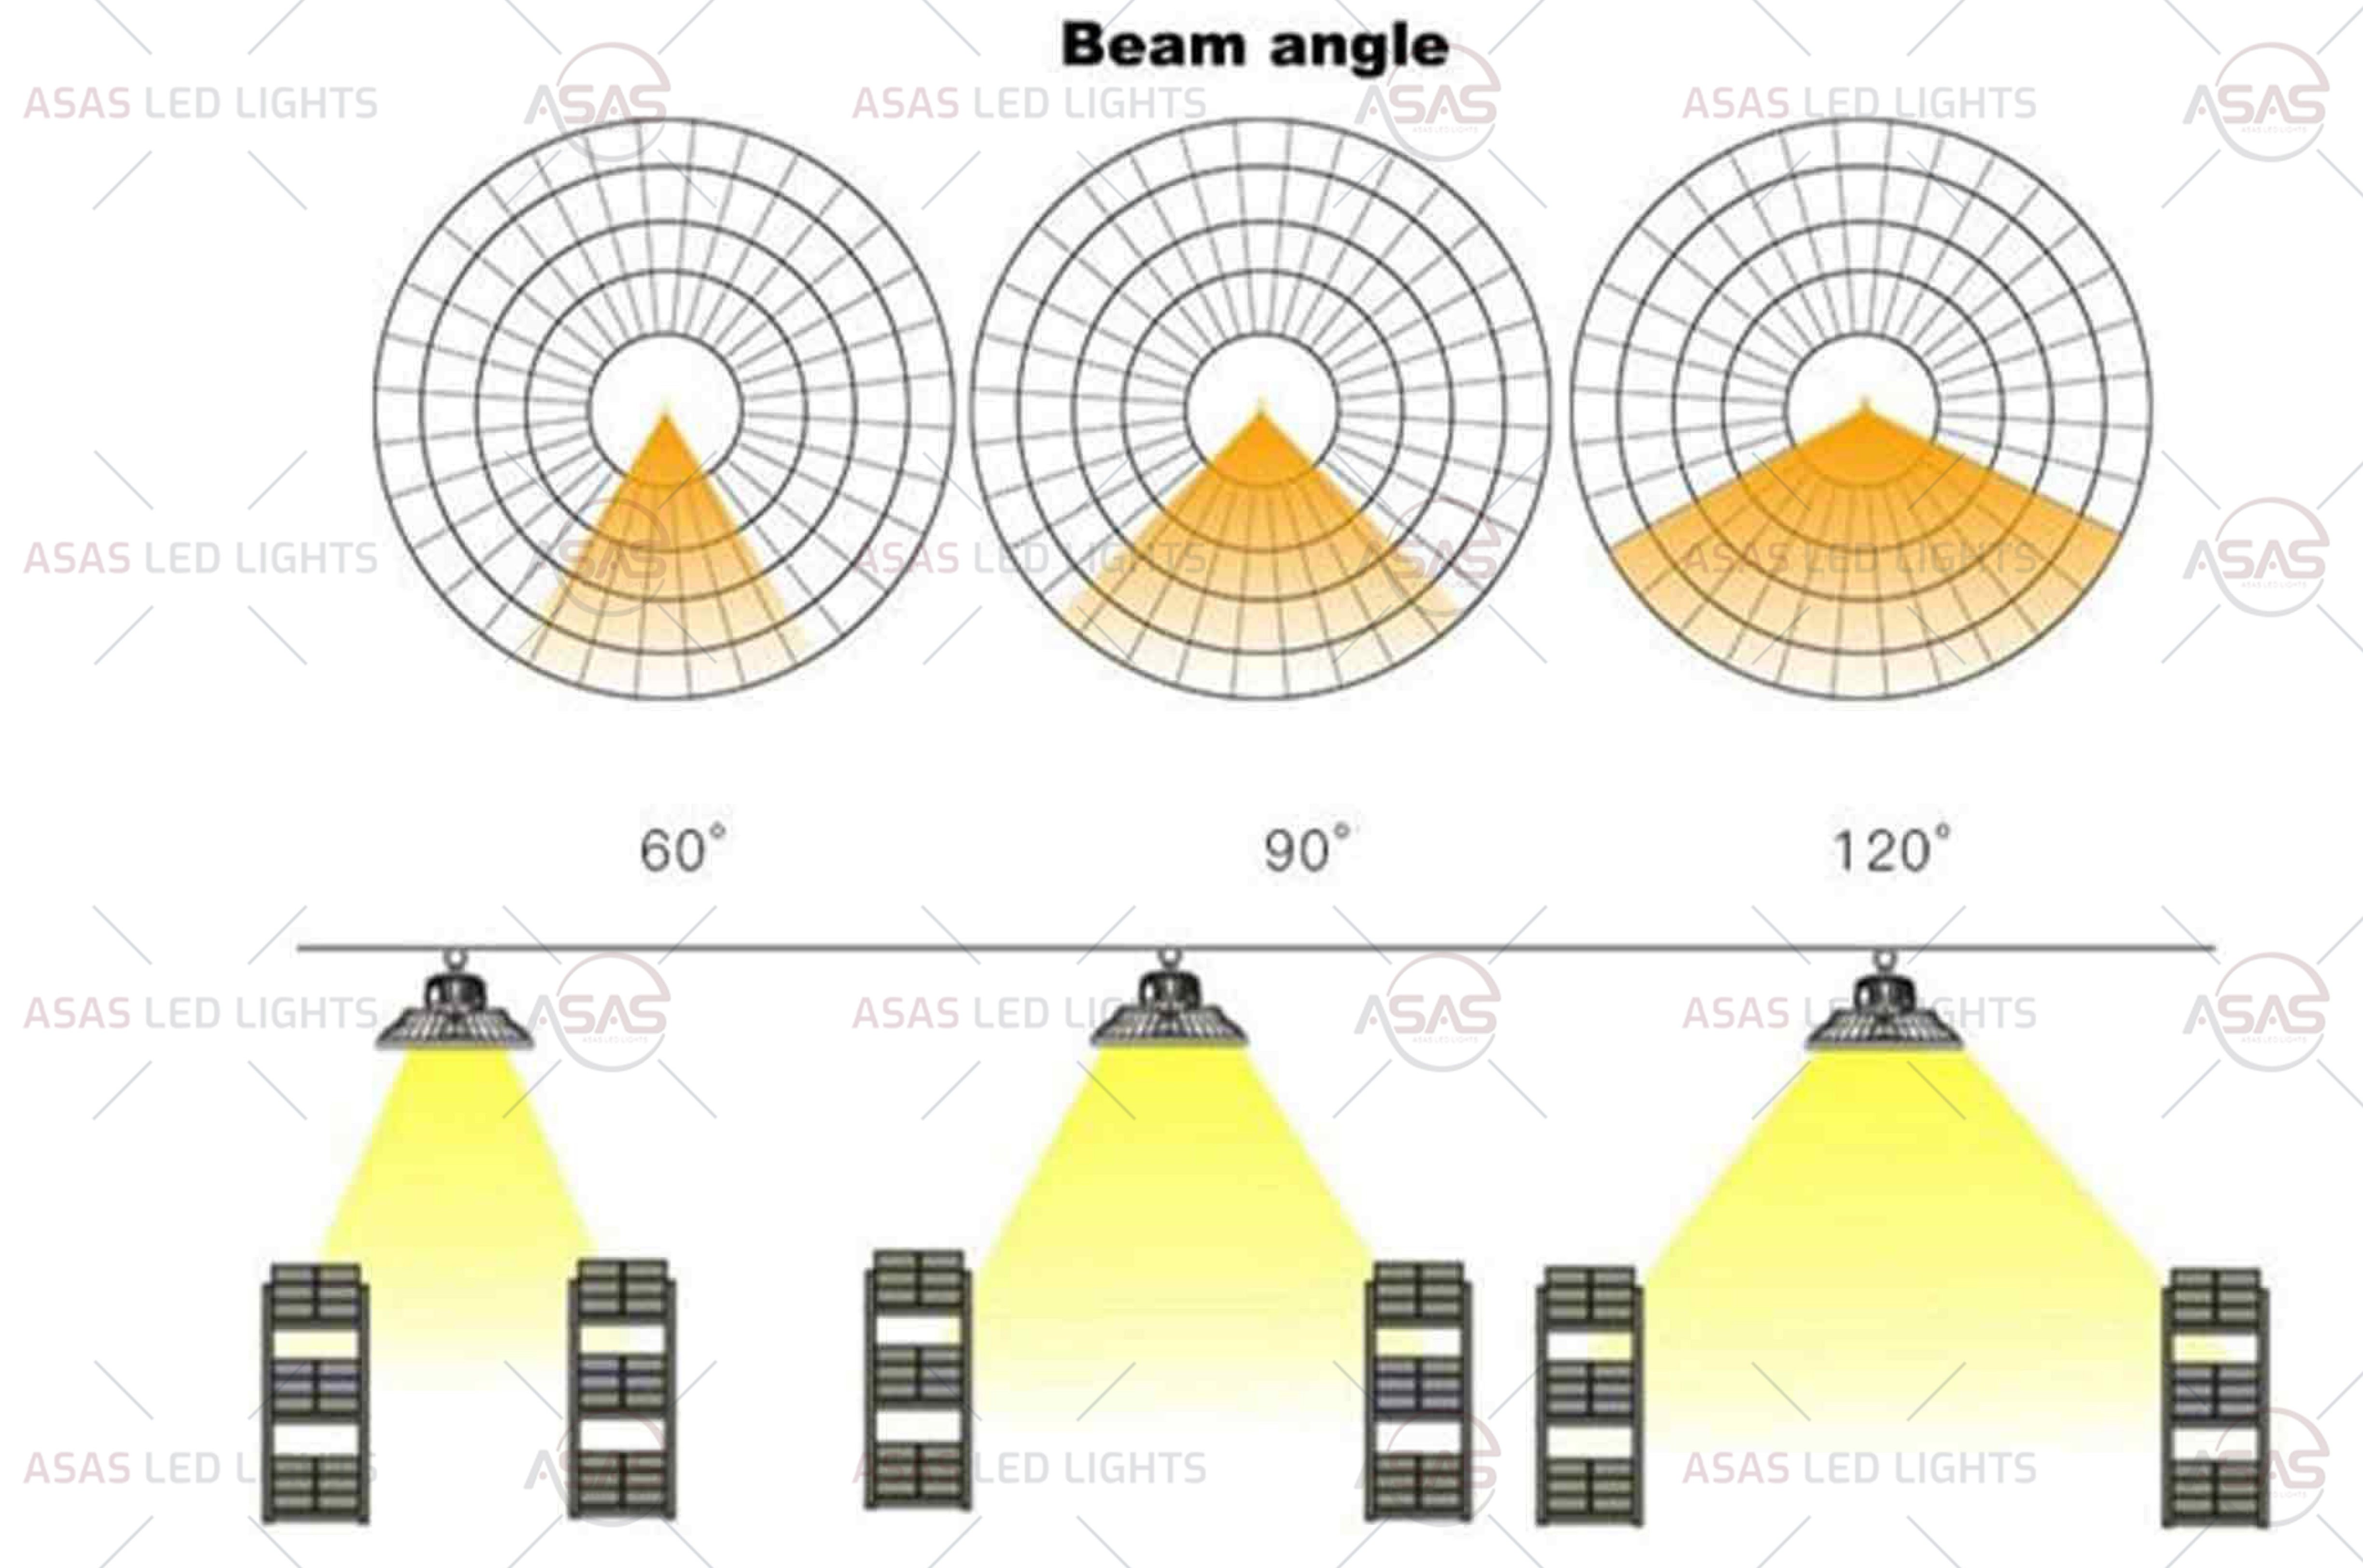

GENERAL SPECIFICATION

Brand Name	HIMAX
Product Name	LED Highbay Hunger Light
Lamp Type	Directional
Model No	ST 100W, ST 150W, ST 200W ST 300W, ST 400W
Rated Power	100W, 150W, 200W, 300W, 400W
Input Voltage & Frequency	AC85-265V 50/60Hz
CCT	6500K
Ra	>80
PF	>0.90
Rated Lumen Flux (ILM)	8000 LM, 12000 LM, 16000 LM, 24000 LM
Rated Efficiency (Lumen/Watt)	80LM/W
Body Color	Silver
LED	High Power SMD Led Chips
Dimension(mm)	200×210×170, 225×225×170, 240×240×195, 250×250×210, 280×280×250
BA	100°
Warranty	3-Years
Body Material: High Strength Aluminum	Body Material: High Strength Aluminum
Protection Grade	IP66
